Randy Robinson

S.A.L. Commander
Jason Mogg

Commander's Corner
Randy Robinson

Hello ladies and gentlemen, as we head into the New Year and this mild and balmy "PURE MICHIGAN" winter and all the winter activities we are so accustomed to at your post, 2011 was a very productive year and we will ensure that 2012 will be even better with all the up-coming events and regular agenda events already planned so please review the up-coming schedule and please plan to attend, volunteer or donate if you can. I wanted to personally thank all of you that volunteered to assist with the events in 2011 and we really do need extra people, to help out in 2012. I also wanted to thank all of the post officers, staff, members, auxiliary and S.A.L.S for everything you do for post-110 without each and every one of you, this organization does not work and we need to get these younger veterans to join a group of their peers to keep this group sustainable for the next 50 years and beyond because membership is every ones responsibility. The next couple of district meetings are all in the northern end of the district so I probably will not get to any due to the distance, if anyone is interested in attending please contact Tim Prescott or myself at your post. The sign-up sheet for our 2k poker event is posted at the post, we need new people to work these events and represent your American legion post. We will be having our super bowl party on February 5th so please come down and

minge with your brothers and sisters. The Daytona 500 is on February 26th and details will follow or check at your post for additional details. In closing I would like to thank the post honor guard for everything you do for our post and the veterans you serve at the end of their service to the American people. And all of our members that make a difference to this country and the people. For God and Country- Randy

Sr. Vice Commander, Bob Gaillard

Adjutant, Tim Prescott

Happy New year everyone. Hope that everyone with their new year brings all that you wish for. We are currently a little behind in our membership.

The State goal for this time is set for 80% and we are at 76.74 and we are for the first time, are behind the States goal for membership. Please remember to pay your dues because membership is everyone's responsibility. Things are looking great this winter with darts and sporting event on the big screen TV's. Please come join us for all the fun. For God and country.

Service Officer, Kim "Stub" Welter

If you know of any veteran in need of help, please have them contact the post. Thanks for everyone's support.

Historian, Harold Leffingwell

Auxiliary President, Pat Welliver

Our membership cards are in.

S.A.L. Commander, Jason Mogg

Be on the look out for some Sunday football fun this fall. Stay tuned. More info will come.
